WPSBP8100
Wireless Power Pad
Device Adaptor
for BlackBerry[®] Pearl[™]

WildCharge
WIRE-FREE POWER

QUICK START GUIDE

1 Overview

- A. Blackberry Pearl
- B. Wireless Power Pad Device Adaptor (Skin)

2 Installation

1. Carefully insert the BlackBerry Pearl into the Skin, as shown in the overview.
2. Use your fingers to stretch the Skin over the top of the BlackBerry.
3. You are now ready to enjoy wire-free charging.

3 Operation

1. Place the Wireless Power Pad enabled BlackBerry on to the Wireless Power Pad making sure it rests fully on the pad.
2. The blue indicator light appears on the Wireless Power Pad when the BlackBerry is being charged.
3. You are now experiencing wire-free charging.
