# WARRANTY

Introducing the latest in UHF Communications from the world leaders in wireless communication. The UH7760NB uses 80 Channels making it one of the first UHF mobiles in the market available and user upgradeable for free when the ACMA standard is published early in the year.

The UH7760NB is the ultimate in compact UHF communications and built for rugged Australian and New Zealand conditions makes it ideal for the truck drivers, 4WD Drivers and Caravan Drivers. Uniden's reliability and experience in UHF makes this unit ideal for the professional who needs to keep in touch with the outside world. The UH7760NB offers the finest components, engineering and styling, just what you would expect from Uniden.

Equipped with a Remote Speaker Microphone with a built-in Large LCD Backlit Screen allows you to control all functions and features remotely, including volume and Power On/Off. This unit features Instant Channel Programming and Recall at the touch of a button which is located on the MIC.

Ideal for:

The UH7760NB is a 5W unit. The built-in AVS circuitry allows for an automatic volume stabiliser detecting narrowband and wideband transmission automatically adjusting incoming audio to comparable levels.

The UH7760NB comes with some great accessories including a Remote Speaker MIC, Microphone Hanger, Mounting Bracket and a 2m Cable.

Suggested Retail: \$379.95
